1. The total number of sheriff's deputy use of force incidents, broken down by type of force used, between 2013-2018 (separated by year).
2. The total number of people that deputies used force against, between 2013-2018 (separated by year).
3. The total number of use of force complaints reported between 2013-2018 (separated by year).
4. The total number of use of force complaints sustained between 2013-2018 (separated by year).
5. The policy manual of the sheriff's department.
6. The current union contract between the city and any sheriff's deputy/police officer unions.

Pursuant to California Government Code section 6253, subdivision (c), we write to inform you that the Sheriff's Office will be taking an additional 14 days to provide a response to your requests due to the need to: (1) search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request; (2) the need for consultation, which shall be conducted with all practicable speed, with another agency having
